Roy Pulido, Jose Luis Salon, 1717 W. 6th St., Suite 123, Hartland Plaza Building, 474-1146

If you want to look like Jennifer Lopez, go to Roy! He knows how to make coarse, curly hair soft and silky. His clients come to him for a basic cut without much layering, which can be tamed by the artful use of two — inch thick round brushes. In terms of color, Roy wants to see gorgeous blondes, with a natural look. As he puts it, "I like to make them beautiful blondes instead of project blondes." His clientele includes many Austin newscasters and business people. **FACTS:** Haircuts begin at \$60 and up. Plan to book 2 to 3 weeks in advance.
